REBERT Trait d'union

I live in my flat. I wake up and brush my teeth before school. I have my shower and I wear my school uniform.

Very good
Be more careful
You could say more (eg time)

The main reason that I like my school is that I can meet my friends and we can have fun together.

I like to go to the library and read books.

My name is Marios. I am 10 years old. I wake up at 9:30 every weekend. I eat breakfast. I go to the football.

When I finish the football match I go home and I do homework. I eat lunch. And then I watch TV.

At 6 o'clock I drink up from the water and I go to bed. I drink some water and I go to sleep.

Good job!

A day in my life

By Socrates Athanassiou

I am 10 years old. On Saturdays I get up at 7:30. I eat breakfast and then I do lots of activities. In my free time I play outside. Sometimes I play computer games. Then I play chess at 10:00 o'clock and basketball at 5:00 o'clock. Sometimes I go on Saturday school and sometimes I do my homework. I have fun on my favourite day.

Well done!
